Dear Karen, 4/9/81

We are glad to hear from you and to know of Mary's good news. Ourbest to them.

Whichever one of the jobs comes through, I hope it is the one that is best for you.

You do not speak of taking a law degree.

If you still plan to, can you do that at Harrisburg?

If you take the Harrisburg job, after the year isn't it possible that you could line up with an agency outside of Harrisburg, maybe even Pittsburg?

We are both as we have been. The tax season is coming to an end just about the time the earth is coming to life again.

Some of our earlier flowers have completed their bloom period, incredibly as it seems.Yesterday the first of the tulips came out.

Yesterday also I let the stove go out,perhaps for the heating season.

If so we've gotten most of our heat from wood and next year's supply is stacked and drying. I'm working on the year after's supply of wood now.

Our contribution to the energy crisis.

Best to you all,
